

Upcoming Detour: SR 332 Bridge Over I-85

Major Mobility Investment Program: I-85 Widening (SR 53 to US 129)

EXISTING SR 332 BRIDGE

- WHAT:** Weather permitting, Georgia Department of Transportation (Georgia DOT) construction partners will close the SR 332 bridge over I-85 in Jackson County for approximately 180 days. The existing bridge is scheduled to be replaced by a new bridge within the limits of the existing bridge. An off-site detour will be provided that has been coordinated with the local government utilizing state roads.
- WHEN:** The detour will start on January 31, 2022, for approximately 180 days
- WHERE:** SR 332 bridge over I-85 in Jackson County, Georgia
